BALI - JIMBARAN

Located on the southwest coastline of Bali, Le Méridien Bali Jimbaran is set in the heart of traditional fishing community, Jimbaran Village and opposite the white sands of Jimbaran Bay, one of the finest stretches of beach on this "Island of the Gods" and long popular as a beach resort destination. Jimbaran Bay is also renowned for its traditional fish market and string of beachside seafood restaurants that magically transform from dusk onwards, serving succulent freshly-caught fish down on the sand, just across from the hotel. Le Méridien Bali Jimbaran is a short drive south of Bali's Ngurah Rai International Airport and is easily accessible to many of the island's natural and cultural attractions; including Uluwatu Temple (Pura Luhur Uluwatu) one of Bali's most revered Hindu temples. Dramatically positioned on cliff tops, this ancient sea temple offers spectacular Indian Ocean views and traditional Kecak dance performances at sunset.
